April 2018

You're here for Delaware's children and families.
We're here for YOU!

**"Making a Difference"
Conference
April 13th & 14th**

Time is running out to reserve your spot at the "Making a Difference" Conference to be held on April 13th and 14th.

Provider Spotlight:
Family Child Care Programs
Round Up of our Family Child Care Stars

This year marks that tenth anniversary of Delaware Stars. To celebrate, we will spotlight you and your feedback on what you've learned and accomplished through your relationship with Stars.

Following are testimonials from some of our family child care providers along with a video marking the tenth anniversary.

Call Tara Horwitz on 302-831-6764 to sign up.

The annual conference for early childhood professionals will be at the DTCC Terry Campus in Dover.

Workshop Improving Administrators Focus

This spring, we will be offering several opportunities to participate in "Child Assessment for Administrators: Polishing the Lens." This professional development event is the first of three assessment modules that are designed to support administrators' understanding of the comprehensive assessment system, and its relationship to children's learning.

Teaching Gold Strategy Sessions Added to Calendar

DIEEC PD has added additional Implementing Teaching Strategies GOLD sessions. They are:

Saturday, May 12th
9:30-4:00 p.m.
New Castle County

"I believe children learn through play. I have learned through Delaware Stars to implement lesson plans and a curriculum which will allow the children to enjoy learning because common core standards, such as math, science, language arts, social studies are implemented in our play time."

Alisa Waples, Lisa's Lullabies Learning Center

"Being involved with Delaware Stars keeps me up to date on all of the latest early learning techniques. I implement a curriculum to get children ready for kindergarten. I also care for my children in a loving and safe environment to give them the social and emotional skills to thrive."

Marlette Lofland

"At Pooh's Place, we strive to provide and maintain a healthy and safe physical environment. We are always searching for new and different ways to implement fun, and creative ideas to improve our program. We promote cognitive, social and emotional and physical development of young children in a safe and nurturing environment. Through our "village" of resources, including Delaware Stars, we maintain a high quality program where children enjoy learning new things through our activities, resources and community involvement."

Jamie Webb, Pooh's Place

Language Development Guide

NAEYC recently featured on its website
a quick and simple language and
development guide. It provides 12
ways to support language development
for infants and toddlers. It's user
friendly so that parents can use it too.

the guide.

Mister Rogers Neighborhood Turns 50!

In 1968 Mister Rogers Neighborhood
debuted on PBS. Fred Rogers and this
program is at the forefront of talking
about emotions with young children
while encouraging creativity through
"Make Believe Land." Millions of adults
remember Mister Rogers for his
enduring commitment to caring about
