

To Delaware Stars Programs:

We're excited to offer promotional materials to Delaware Stars programs at no cost to the programs and upon request. Using these materials with families and in your community is a great way to help promote your Stars program and quality early learning. The materials below are the promotional materials available via the ORDER FORM attached here.

The promotional decals:

DELAWARE STARS PROGRAM DECAL

Please place these decals in areas that have high visibility and traffic to let others know you're a Delaware Stars program.

MY CHILD IS A DELAWARE STAR DECAL

This decal is for families of young children in the Delaware Stars programs and is designed for use in a car window or home window or storm door.

MY GRANDCHILD IS A DELAWARE STAR DECAL

This decal is for families of young children in the Delaware Stars programs and is designed for use in a car window or home window or storm door.

I SUPPORT DELAWARE STARS DECAL

This decal is for ANYONE who supports quality early learning in Delaware and the Delaware Stars program. Please share these with friends, advocates, families, business contacts, anyone who is willing to show their support for Delaware Stars. The decal is designed for use in a car window or home window or storm door.

NOTE: These decals or window slicks work best when applied on clean glass or surface in the morning hours (before the sun makes the glass very hot) and work best when placed just where they are intended to stay. Moving the decals multiple times will result in less "staying power."

You may order more of these promotional materials from the Delaware Stars Program. These materials are available to you at no charge as part of the Delaware Office of Early Learning and Delaware Stars Program's effort to increase the Delaware community's awareness of Delaware Stars and promote quality early learning across the state.

Please do encourage families to go to www.greatstartsdeleaware.com, a website developed just for families where they will find information about the Delaware Stars program, as well as helpful information and tips on early learning.

I need more Delaware Stars promotional materials to display and distribute. Please send me the following at no charge:

<u>Item</u>	<u>Quantity</u>
	_____
	_____
	_____
	_____
