

Teaching Strategies Gold Online Access

Delaware Stars programs may apply for access to Teaching Strategies Gold Online when:

- The program achieves star levels 2, 3, 4, or 5
- One administrator attends the *Implementing Teaching Strategies Gold* training (6 hours)
- One educator from each age group in the program attends the *Implementing Teaching Strategies Gold* training (6 hours)
- All remaining staff, who will use TSG (lead teaching staff at minimum), watch the *TS Gold Orientation Video*, which is available through DIEEC PD

To register for a TS Gold training, please visit www.dieecpd.org

Once a program meets each of these requirements, the program administrator should request access by following these steps:

1. Complete the information below and submit to Caitlin Gleason, Education Associate in the Department of Education’s Office of Early Learning: caitlin.gleason@doe.k12.de.us
2. Watch for log-in and password information from Teaching Strategies, LLC to arrive by email from implementation@teachingstrategies.com

Once the program administrator has received access, the administrator will support all staff members to use Teaching Strategies Gold Online by:

1. Setting up teachers and classrooms in the program’s account
2. Ensuring all current and future staff members, using TSG, have watched the TS Gold Orientation Video
3. Offering ongoing support and training with observation, assessment, and the implementation of TS Gold

To request Assessment TA for support in getting set up and implementing TS Gold online, please email kcsmith@udel.edu

Please allow my program Teaching Strategies Gold online access:
